

Dart Marina Afternoon Tea Spa package

Afternoon *Delight*

'Taking Tea' with a good friend, or even better a group of friends, is one of the best ways to catch up! More relaxed than grabbing a quick lunch, *Afternoon Tea* has a certain joy about it and when it's combined with a trip to a Spa by the side of the River Dart - it's going to create a real treat while you eat!

This really is an **Afternoon *Delight*** - it involves a swim, a fabulous treatment and then an hour or so chatting over truly scrumptious food and a glass of bubbles. Secrets may be shared, plans made, and certainly there'll be an opportunity to slow down and relax together.

Book an **Afternoon *Delight*** at Dart Marina Health Spa and enjoy a proper Afternoon Tea with delicate sandwiches, freshly baked scones with jam and Devon Clotted Cream, and of course pastries and cakes, all displayed on a cake stand just for you. There will be tea of course, plus a glass of Champagne to help the relaxation (and chatter).

If the sun is shining you can 'Take Tea' on The Terrace overlooking the magical River Dart, and if there's a cloud in the sky, our River Restaurant will give you a view to take your breath away. Or you can find a cosy corner on a velvet sofa in the peaceful bar area and while away an hour in complete luxury.

Treatments include a choice of; a totally sublime **Back Massage** to loosen up all those knots and relax the shoulders, or an **Express Facial** to remove dull and tired skin and rejuvenate the complexion, or our latest new treatment the **Tropical Saltmousse Glow** which will leave you feeling relaxed, rejuvenated and ready to face the world.

Book your **Afternoon *Delight*** and enjoy a complimentary glass of champagne
